Introduction

4

New Loops presents **Feeling Good** – a complete Deep House kit with 160 sounds. This kit has everything you need to make a modern Deep House track.

You'll find 138 one-shots (including multi-samples) such as sound effects, synths, bass, vocal, chords, drums, and trumpet. The 22 House loops include drums, percussion, bass, and chords.

Also included in this Deep House sample pack are midi files for melodies, bass, and chords, ready for you to drop in to your arrangement and use with the included multi-samples.

All sounds are individually named and have the bpm and key in the file names. The audio loops have variations such as, full loop, kickless loop, kick loop, hats loop, and more.

Audio loops are 124 bpm and all sounds are 24-bit/44.1 kHz. This kit includes every sound in the audio demo.

Installation

5

Installing this sound pack is easy. Simply download the Zip file and unpack. You can then move the entire folder to your preferred place on your hard disk.

Please keep a backup copy of your sound pack.

Please note: These audio files are in wav format and are available to use in any audio software that supports the standard wav format.

New Loops

6

New Loops is an English sound design label publishing audio sample packs and synthesiser presets in the pro audio market. With a focus on quality and usability, New Loops sounds are used by DJs, producers, music studios, and composers all over the world.
